That's what others say ...

“C/O Vienna is a great magazine. Deep love, deep understanding, and utter devotion to art – it all comes together here ... It doesn't get any better than this.”

– SVEN REGENER, author and singer of
Element of Crime

“I really like the magazine. I think you've come up with a really interesting approach to publishing a local title ...”

– STEVE WATSON,
founder and director of
Stack Magazines

“As a whole, C/O Vienna's design aesthetic and captivating content found within is explicitly deliberate – an ironic twist on traditional magazines and one that executed with complete charm.”

– IT'S NICE THAT,
industry magazine from London

“For those interested in culture, C/O Vienna has become a real institution—and not just in Vienna.”

Mr. Eidinger

Text: Antje Meyer-Sabé, Fotos: Maja Starčič

Who is **LARS EIDINGER**? Probably the most popular **VILLAIN** of German television, actor, photographer, DJ - together the omnipresent devotion. We talk about **BATS, EVIL, SELF-DESTRUCTION** and about **EIDINGER**.

ART PHOTOGRAPHY

The Soap&Skin

Text: Eva Holzinger, Fotos: Xenia Snapin, Styling: Sarah Zakud-Rzoch

"When I was a child, I toyed with dirt. I killed the slugs, I bored with a bough in their spiracle." For almost 16 years, the exceptional Austrian artist **SOAP&SKIN** has been singing about death and pain, about nature and healing. Her voice pierces into us and cuts off our air, only to let us breathe better afterwards. The lyrics to **SPRACLE** read differently when you know that 30-year-old **ANJA PLASCHE** grew up on a pig-fattening farm in a Styrian village with 200 inhabitants. A conversation about **SUGAR-CUBE WITCHES**, talking trees, and how impressive and depressing rural life can be.

MUSIC ART

ALL THIS

The installations by Dutch artist **Herman de Vries** consist of **STONES, FLOWERS & WOODS** - and are currently on display at MQ Freiraum until August 10, 2025. "An artistic homage to living nature". The connection between ART, LIFE and NATURE can be felt even longer over a cup of coffee in the sunny MQ main courtyard. (@hermandevries, @lilacmuse, @mqwien)

ANTIMATTER FACTORY

In her films, installations and sculptures, Argentinian artist **Mika Rottenberg** deals with the **EXPLOITATION** of people and resources. Discover people sneezing **STEAKS, RABBITS, PEARS** or whole meals. Bless you! Until August 10th, 2025 at KunstHausWien. FONT AGAINST FASCISM

The typeface "Department 161 Type" by designer and photographer **Pill Kraus** aka Trash for Fame is free for everyone fighting against the nonsense that's ruining the world. Download it [HERE](#) and use it for antifascist projects! (Graphic: @Trash for Fame)

A dirndl is a Bavarian and Austrian traditional dress, which was only invented at the end of the NINETEENTH CENTURY, yet today it is still widely seen as a typical Alpine costume - but just in the minds of urban summer vacationists. It was venerated by the Nazis and is still popular nowadays among right-wingers to demonstrate a sense of belonging to the homeland.
